

## SPECIALLY PRICED COLLECTIONS

All bulbs included in these collections are Warranted to be of First Quality and will produce lovely blooms and reproduce healthy bulbs year after year.

The lower price is made possible by the fact that some bulbs reproduce more prolifically than others, and because we are not always able to correctly estimate demand.

Quality considered, we feel these collections cannot be duplicated at prices quoted. WE PAY POSTAGE ON COLLECTIONS. (Asterisks following names of flowers indicate prize winners.)

ORDER BEFORE JULY 10 FOR FALL DELIVERY.
